

Submissions to this Site

If you are interested in submitting an article for either the “Portage Chapter News” or “Honor Guard News” please submit them in the body of an email. Please limit these articles to 500 – 600 words.

“History” and “Writing” can be on any subject related to Lewis and Clark; they can be nonfiction, fiction, essay or opinion. Please, no articles that spend most of their time quoting long passages from the journals; we want your interpretations and conclusions. Although we are not looking for scholarly pieces they should be well written, free from spelling and grammar errors (but they always seem to creep in) and supported by facts or accepted theories for the category “History”. These should be referred to in the body of the work, not footnotes or endnotes. We don’t need bibliographies either. Length of these writings should be limited to 2000 – 2500 words. Send them as an attachment to a “cover letter” email that gives a few lines of the author’s biography and states what category you want it listed under. If you have photos (2 or 3 max) that would enhance your piece send them as separate attachments. Sorry, but we can’t pay anything for any submissions.

The author retains all copyrights to any piece published on this website and is free to use it elsewhere at the author’s discretion. Kindly acknowledge it was published on this site if using your piece elsewhere.
